SCHOOL RULES

Evangeliska folkhögskolan is a Christian school where we take responsibility, show consideration and work in an atmosphere of mutual respect. These school rules apply to all school activities.

- 1. Everyone is entitled to work in a quiet and peaceful environment.
- 2. We do not tolerate any kind of violence, bullying or harassment.
- 3. Efo is a school where everyone can feel safe. Dangerous objects and substances are strictly forbidden on the school premises.
- 4. We are careful with the furniture and equipment in school. We never leave trash behind and always clean up any mess we might make.
- 5. Drugs, alcohol, cigarettes and snuff are strictly forbidden.
- 6. Attendance is compulsory for all students.
- 7. We respect each other's integrity and do not take pictures or film other people without their consent.
- 8. If you ever need to be absent from class, it is vital that you ask for permission **in advance**. For a longer period submit a written request and hand it in before the teachers' weekly meeting (on Mondays).
- 9. In case of illness please inform your teacher **before** the first lesson. For sick leave lasting more than three days, the student has to submit a medical certificate from a doctor. Please note that the school is required to report student absence regularly to the TE-office. Therefore it is vital that you always inform your teacher if you need to be absent for any reason.
- 10. Disrespecting these rules may result in a written warning issued from the headmaster. If this proves insufficient the student may be expelled.

INFORMATION ABOUT FEES

You are billed once a month and normally for four weeks at a time. However, in the first invoice you are billed for the first two weeks only. The invoice is sent by e-mail to your private email address that you submitted in your application.

The fee is 80€/week including instruction, handouts and insurance. Those who study 20h/week pay 64€. Lunch is included in the fee.

NB! Billing starts from 15 August 2024. If you enroll later billing starts from the date of admission.

For students with **an integration plan**, studies at Efo are free. Books and other study materials are billed. If you have or receive an integration plan at the TE office during the school year, notify the school at once. This is important because the studies are free from the date the integration plan was made.

If absent from school for two consecutive weeks there will be no reduction of your school fees. For a lengthy absence you will get a 50% discount for the period exceeding two weeks.

Please note that <u>all students</u> are required to buy their own schoolbooks. We use computers during lessons. Please bring your own laptop if you have one. If not, the school has a number of Chromebooks that you can lease for 20€/month. You'll get an email address specifically for your studies at Efo.

Books bought directly from the school are billed the following month.

To cover the costs for study materials used in the optional courses a fee of 10€ per term (in total) is collected.

If you discontinue your studies at Efo, you should immediately notify the school in writing.

If you're unable to pay your fees on the date of payment, please contact the school office immediately. We charge an interest rate of 11,5 % for late payments. Financial manager Maj-Sofie (maj-sofie@efo.fi) answers questions about billing. NB! To receive your certificate all bills must be paid in full.

If you **don't have an integration plan** and belong to one of the following groups, you can apply for student vouchers:

- you are unemployed
- you have learning difficulties
- you don't have a profession

The student vouchers cover either the whole **or** part of the weekly fee.
